**KENNETH L. HOWARD**

# Biography

**B**rother Kenneth L. Howard was only 48 years old when he passed away suddenly. He was born March 16, 1949 in Bluefield, West Virginia, and died November 4, 1997 here in Columbus at the Ohio State University Medical Center. He was a graduate of West Virginia State College in 1971 with a Bachelor Degree in Psychology. Brother Howard was married to Ginger Williams January 1970 who later became proud parents of a son, Kenneth II.

Kenneth was employed by Nationwide Insurance Company for 26 years where he became Urban Marketing Manager. Ken received his Certified Property and Casualty Underwriting designation in the early 80's. He was a member of numerous organizations and boards. He was a member of Union Grove Baptist Church where he served on the Deacon Board for many years. Ken was appointed by Ohio Governor George Voinovich to the Petroleum Underground Storage Tank Release Compensation Board (PUSTRCB). He held positions on the New York Insurance Plan Board; Pennsylvania Automobile Insurance Plan Board; and was a member of the Ohio Fair Plan Board of Directors.

Ken Howard was initiated into Kappa Alpha Psi Fraternity, Inc. at West Virginia State in December of 1968. He served as Polemarch of the Columbus Alumni Chapter in 1988 and 1989. He held other leadership positions in the Columbus Alumni Chapter. During Brother Howard's administration, the Columbus Alumni Chapter membership rolls were increased dramatically. Brother Howard stressed Leadership and Brotherhood all through his tenure in office. He was dedicated to the purpose of achievement. More importantly, Brother Howard felt that black men needed to be more involved in helping young black men face and overcome barriers to their success. He was fun-loving and knew how to have a good time but not until after work was done. There was no foolishness until the task at hand was complete. He did not stand for half-stepping when it came to the business of Kappa. ♦

Congratulations to our 2023 Kenneth L. Howard Endowed Scholarship Fund awardees. The Columbus Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. and I are so proud of your academic accomplishments.

The theme for 2023 of "Academic and moral preparation prevents a lifetime of future regrets" leads me to thinking about exercising one's mind and one's spirit.

Exercising one's mind academically means the practice of developing good study habits. This starts early on in life and can be attributed to positive reinforcement from parents, guardians or loved ones.

We exercise good morality by deciding what company one keeps. As an academian, I wish to keep the company of fellow scholars. One doesn't become a scholar by making poor decisions and being of poor moral fiber. Good decision making becomes habit as we are faced with life situations over the course of time.

Good mentorship helps develop good decision making.

As graduating seniors headed to the next chapters of your lives, it is now time to take your academic prowess and good morality and put it to better use in college or with the trades.

The Columbus Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. not only has the charge of helping you enter your next steps as academians but to see you through to graduation.

The Columbus Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. not only has the charge of helping you enter your next steps as academians but to see you through to graduation.

You indeed HAVE prepared yourselves academically and morally.

Please go and serve yourselves well!

Sincerely,

Jeffrey A. Ushry
